Couples Testimonials

Una Ceremonia dulce y inolvidable. My husband and I were looking for a place to get married where the ceremony could be in Spanish. This was very important to us since my mother does not speak English. I was surprised to find a local chapel yet affordable where we could marry. The chapel was beautiful and the music that was playing was very romantic. We are very happy that we chose the Long Beach Wedding Center. The officiant was friendly yet very professional. He made us feel comfortable even though we were very nervous. Thank you for this unforgettable wedding. Familia Flores Martinez

Sharing This Wonderful Moment. My Wife and I were married at the Long Beach Wedding Chapel...it was something we had been planning on for a long time... We decided to Google wedding chapels in long beach and found the Long beach Wedding Chapel... We called immediately and they did not hesitate to accommodate are needs.. the residing minister even offered for us to come earlier then we had planned...it was very professional, kind, and a wonderful experience.... Thank you Long Beach Wedding Chapel for this wonderful experience.... Sincerely The Smiths
